

CALIBRATE MEDIA

30-Day Business Systems Setup

Is your business running on messy spreadsheets, Slack threads, and manual follow-ups?

We fix that in 30 days.

Calibrate Media helps founder-led teams build a clean operating system for growth.

Best fit

- B2B service companies and agencies
- Teams of 5-50 people
- Teams with tool chaos, slow handoffs, and manual busywork

What we set up

- Clear workflows and ownership
- Automated handoffs between sales and delivery
- One source of truth for tasks and pipeline
- Better visibility into performance

Typical outcomes

- Save 10+ hours per week
- Faster onboarding and project delivery
- Fewer dropped tasks
- Less tool sprawl and rework
